To the guest player who arrived at the team he was about to take flight from a position in the world of football fiction. Recently, you have to play and nothing more than soccer, and it is not only on the stage, but also during the atmosphere of the game. You need to know how to enjoy the soccer game, and also to know how to make the game interesting. The game can be controlled with the keyboard and the mouse, and a player can operate the levers and buttons with his hands. You should be aware of the dynamic of the game, which implies that one player wants to score the goal quickly so that he can hold the lead over your rival. You need to shoot at the goal from all angles, you should be aware that there are new kicks into action, and your competitor may try to deceive you and to spoil your fun.
