- Don't Waste Your Money! Do you have what it takes to take control of the last GT50?The clock is ticking. This is no ordinary competition. Only the best will make it to the Top of the Leader Board. So get ready for the ultimate GT50 experience.Climb, smash, and fly through the air as you struggle to keep up with your rivals, all the while avoid the crumpling metal and flying gravel that will surely lead to your demise.The thrill will be etched on your face as you steer your way through the hectic traffic of the streets as the clock is ticking towards the big finish.Leaders is a totally destructible racing game, that will test your driving skills and reflexes to the absolute limit. With over 50 thrilling missions, plenty of unique challenges, and over a dozen race tracks to master, you'll be dodging wrecks and weaving in and out of traffic for the whole game. So if you have the skills, why don't you compete and show the world who's the best driver out there? * Please note that this is a complete racing game and does not include any type of gambling mechanic or any type of real world rewards. nPlease note that the game comes with a free 30 day trial of the premium app which is a way to remove ads. You can purchase the app to remove the ads for £1.99 or continue with the free trial and enjoy the game. **PLEASE NOTE** If you are purchasing the premium game app you should immediately download the free trial as you will not be able to do this if you wait for the app to be ready to download. Some features of the game may not be available on your device and we recommend downloading to an Android phone or tablet as we are currently unable to confirm the features available on Android Wear smartwatches. AndroidTV / AndroidTV Player Why should I try the AndroidTV App? We have developed a completely new app for AndroidTV which means you can enjoy the full racing game experience on any TV screen including your smart TV. This free version does not allow you to use any of the advanced features of the game including the mission select screen but if you want to download the premium version of the game to remove ads then you will be able to do this. The bottom line is that the game runs perfectly on any Android TV device, smart TV, and mobile or tablet devices. The only thing you 82157476af
